

Respected
Business Heads,

Sub: Regarding Advertisement in Media Sakthi Daily news covering National and International topics with a blend of regional flavors.

Media Sakthi a daily news magazine online published by SCS GLOBAL is picking up its face value day by day we witnessed internet lovers spending their time with our site and showing their interest in our news bulletins bringing a value to our site with increasing traffic and click rates.

As we know online market is one of the best available sources to get news for free attracts customers who are time conscious and people who find busy to read traditional news papers today. Technology gave more reach to online market with an interest in public being more computer savvy ranging from a student to a professional.

People browse the net key to find something or other every day, hence utilizes this opportunity in promoting your brand with us. Ours being a Media site will make your brand promotion easy by attracting customers who visit for daily news in our site.

Our Site covers the best attracted traffic looking for Politics, Current Affairs, Education, Business, Cinema, Health, Ladies Special, Kids Special, Sports, etc.,

Advertisement is the only ways to reach the public, choose the best option to get attracted by the consumers who can be your clients in turn. Print Media has a limitation in covering your product info in terms of space and cost effectiveness with a lesser chance of reaching audience. Where as Online media can direct your customer to your web sources which can unlimit your coverage and be productive for your offers & plans.

So choose the best option.

Thanking you in advance.

Regards

for
Media Sakthi.
